

Articulation Agreement with Iowa Western Community College

Ashford University and Iowa Western Community College have entered into this ARTICULATION AGREEMENT in the spirit of cooperation and to mutually recognize each other as quality institutions of higher learning. The purpose of the agreement is to enable Iowa Western Community College students who transfer to Ashford University to carry with them the credit they have already earned for as much relevant study as possible. The ARTICULATION AGREEMENT provides a structure through which transfer articulation on all levels can be supported.

Bachelor of Arts in:

- Accounting
- Business Administration
- Communication Studies
- Early Childhood Education
- Early Childhood Education Administration
- Health Care Administration
- Organizational Management
- Psychology
- Public Relations and Marketing
- Social and Criminal Justice
- Social Science
- Social Science w/Education concentration
- Sociology
- Sports & Recreation Management

Transfer Elements

Iowa Western Community College graduates with a minimum cumulative GPA of 2.0 entering under the terms of this agreement are guaranteed admission into a Bachelor's degree program at Ashford University provided they meet all admissions requirements for the degree program. The transfer guides outlined in this Articulation Agreement are applicable to students transferring to Ashford University from Community College during the Catalog year 2008-2009.

Under this agreement, Iowa Western Community College students transferring with an **Associate in Arts degree** will have fulfilled all General Education requirements at Ashford University.

Iowa Western Community College students transferring without an aforementioned degree will have all college-level academic credit (generally, 100-level or higher), and with a grade of "C-" or better, accepted for transfer on a course-by-course basis into the academic categories that are the best fits (e.g. elective, General Education requirement, major course). Students may transfer up to 90 Community College credits.

Credits must have been earned with grade of "C-" or better from regionally accredited or selected nationally accredited colleges or universities. Transfer credits will

generally be evaluated from each college or university independently.

A maximum of 9 credits with a "D" grade are transferable as long as the student's cumulative overall GPA is 2.0 or above.

"D" credits cannot be applied toward the major or toward General Education competencies.

Transfer credit may not be granted when it duplicates college credit previously earned. Credit will not be given for the same learning twice.

All students must successfully complete a minimum of 30 upper-division credits to graduate. Lower-division credits transferred to satisfy upper-division courses do not constitute completion of the 30 upper-division credits required for graduation.

Graduate-level transfer credits cannot be applied to undergraduate degrees.

The Center for External Studies places no general age limit on transfer credit from regionally accredited and selected nationally accredited institutions, with possible exceptions in subject areas where there has been significant change. Requirements are specifically noted in degree/major requirements
